PROJECT DETAILS

Project name: *SPEAK THROUGH!*

Project dates:

- 29th of April
- 6th of May
- 13th of May
- 20th of May
- 27th of May
- 10th of June

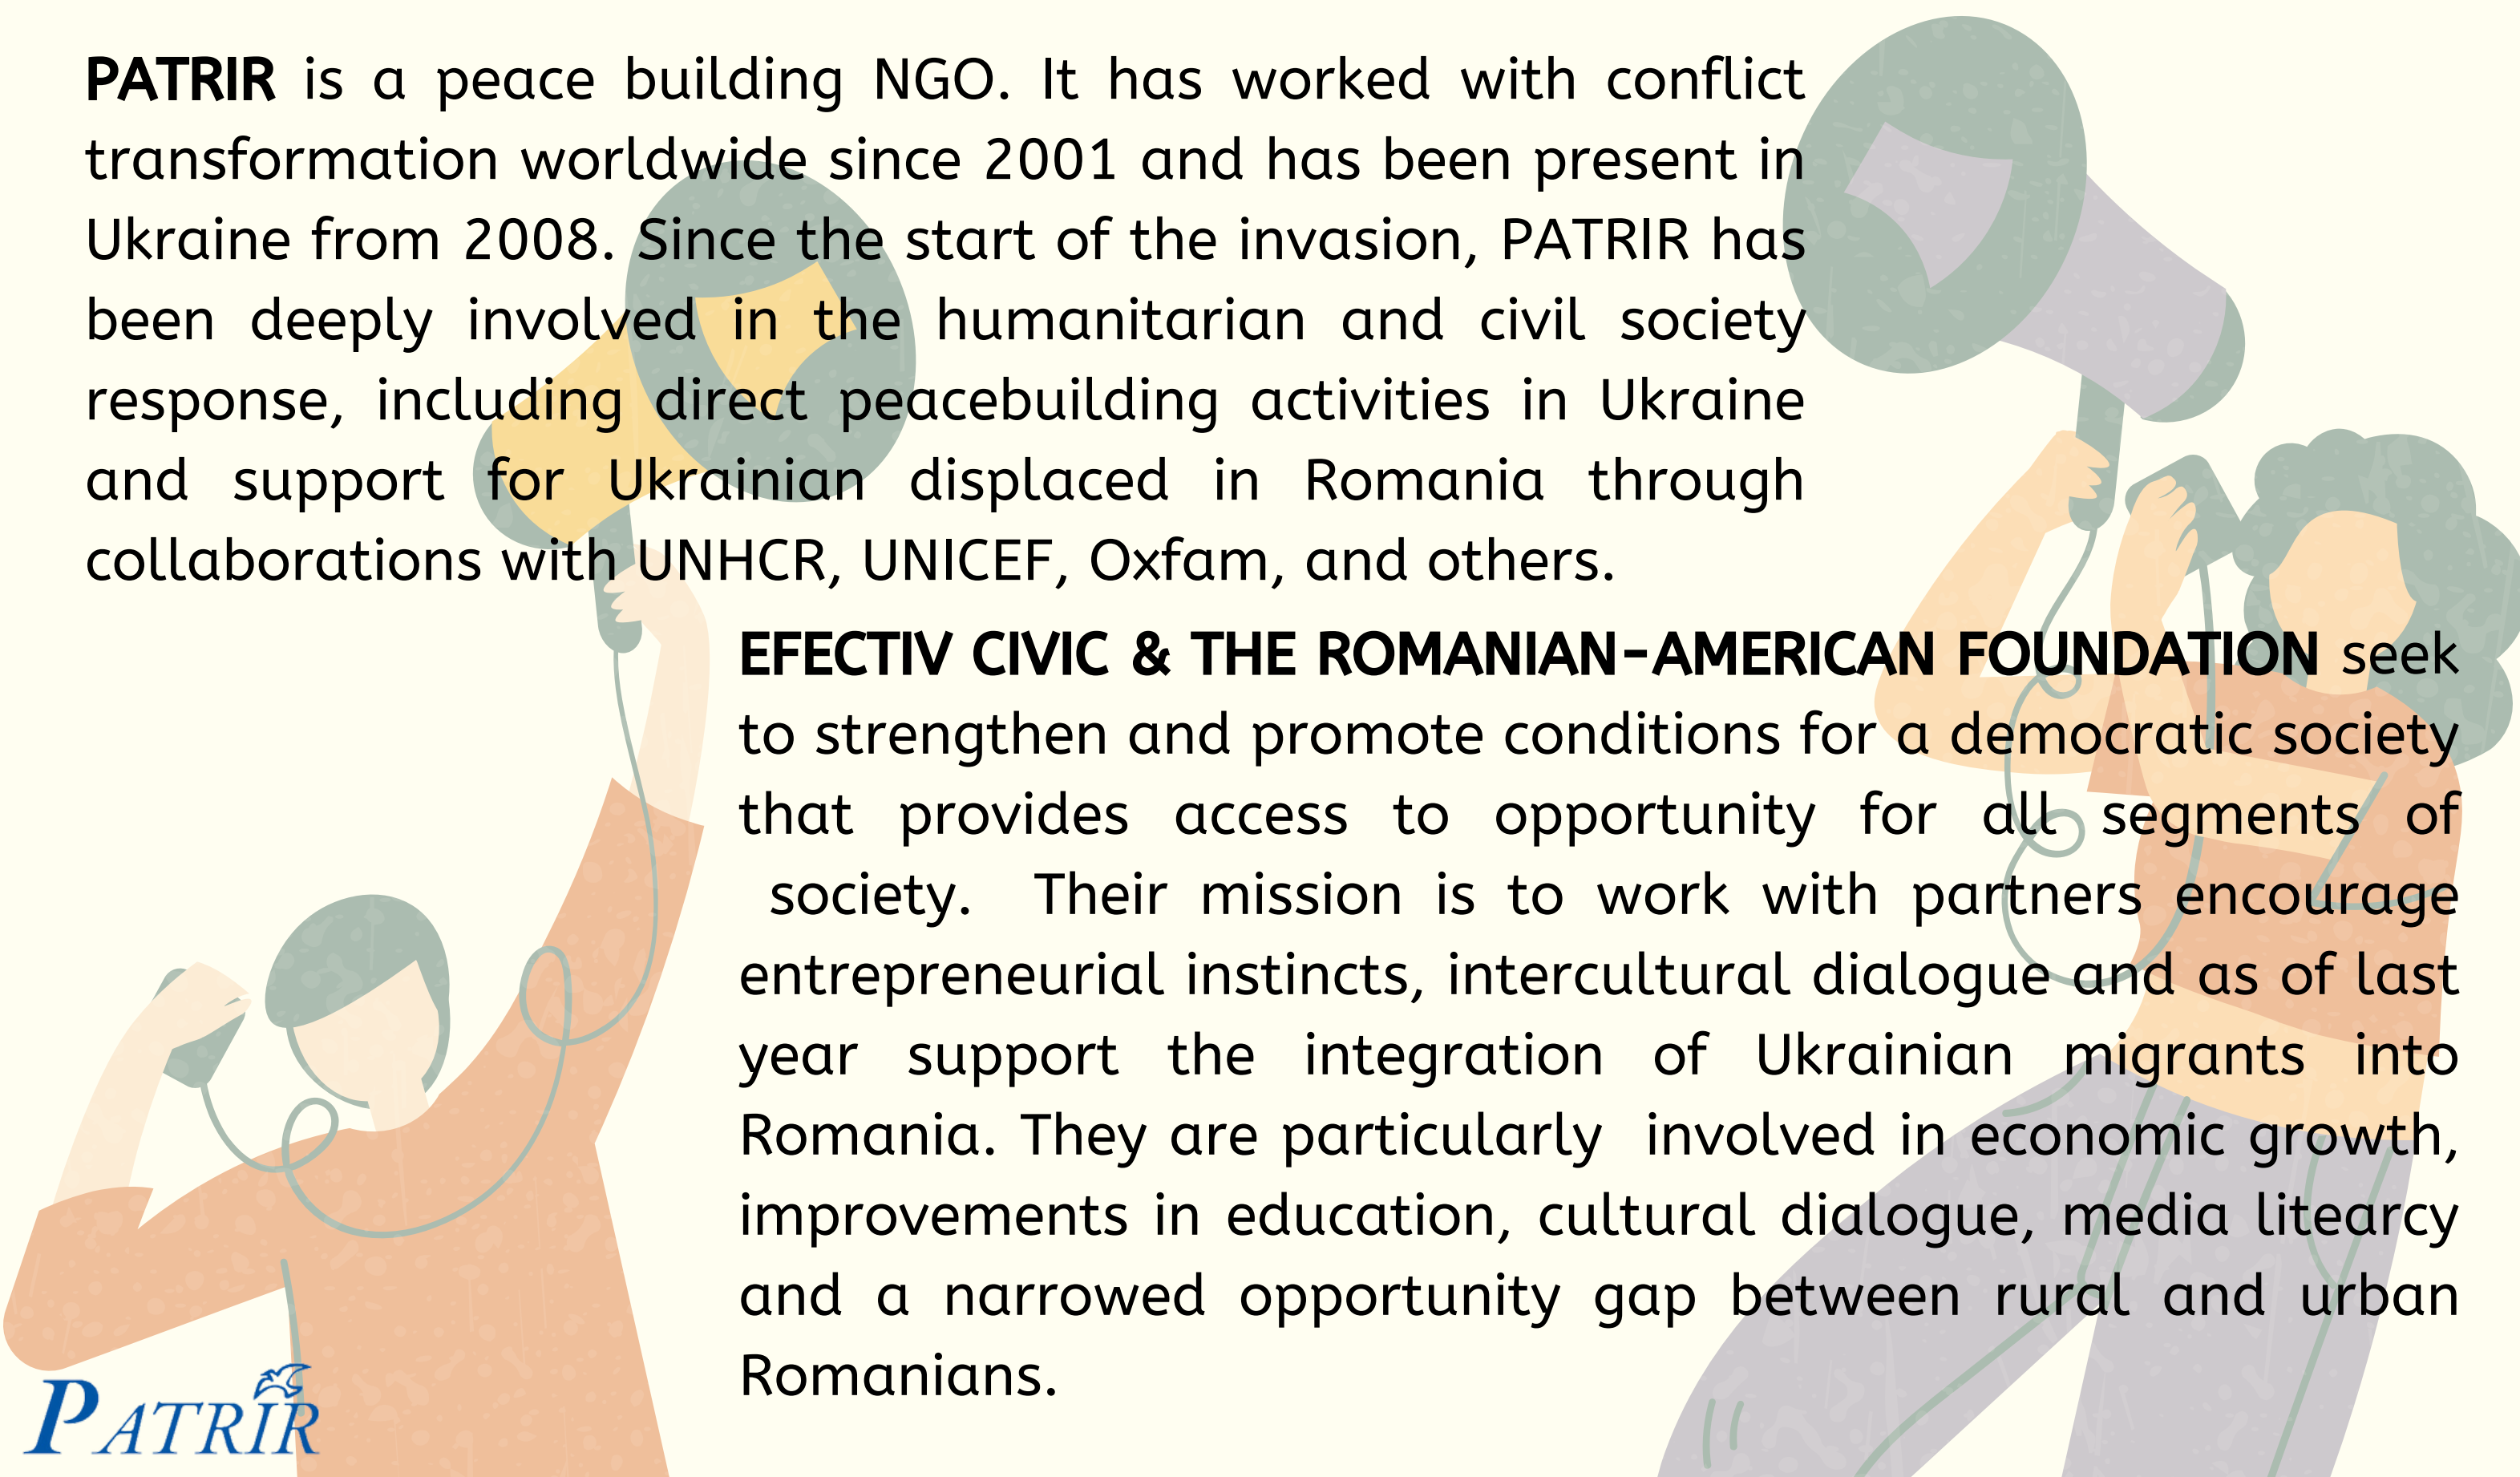

Participants: 25 motivated young people, aged from 16-20, based in Cluj-Napoca willing to learn, share and engage in a diverse team for our *Speak Through* Project!

Purpose: Promote inclusion, and sustainable intercultural dialogue, by providing tools for further inter-community engagement beyond the participatory youth group. It aims to cultivate respect, establish trust, and create meaningful connections by dismantling stereotypes and isolation, through cross-cultural exchange and dialogue, which otherwise prevent youths from successfully integrating and leading active lives in the community.

THE ORGANIZERS

PATRIR is a peace building NGO. It has worked with conflict transformation worldwide since 2001 and has been present in Ukraine from 2008. Since the start of the invasion, PATRIR has been deeply involved in the humanitarian and civil society response, including direct peacebuilding activities in Ukraine and support for Ukrainian displaced in Romania through collaborations with UNHCR, UNICEF, Oxfam, and others.

EFFECTIV CIVIC & THE ROMANIAN-AMERICAN FOUNDATION seek to strengthen and promote conditions for a democratic society that provides access to opportunity for all segments of society. Their mission is to work with partners encourage entrepreneurial instincts, intercultural dialogue and as of last year support the integration of Ukrainian migrants into Romania. They are particularly involved in economic growth, improvements in education, cultural dialogue, media literacy and a narrowed opportunity gap between rural and urban Romanians.
